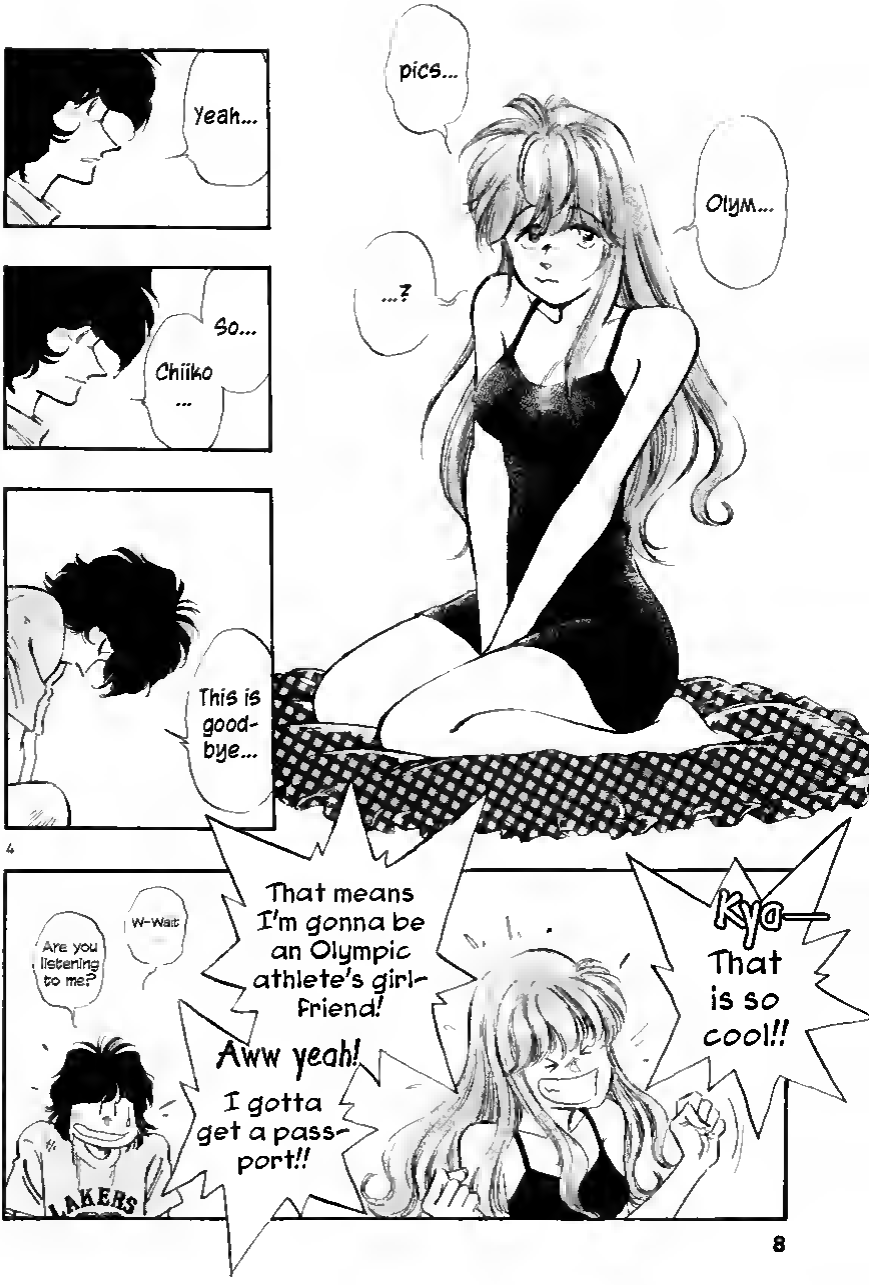
Someone Who's Not You

Oosawaaa!!
Where'd Oosawa go!?
Whaaat!?
龍王大
If you're looking for Oosawa-senpai, he went to get his stuff yesterday and never came back...
What is that dumbass doing!?
Someone go get him back here right now!!

Why are you so happy about that?
Right?
That's gotta be it!
Right?
He's fighting with the girl he lives with!
Right?
It's a girl!
I decided to go back to the dorm...
Sorry, Chiiko...
I can't live here anymore...
I'M...
going to the Olympics...



Yeah...
So... Chiiko ...
This is good-bye...

That means I'm gonna be an Olympic athlete's girl-friend!
Aww yeah! I gotta get a pass-port!!
Are you listening to me?

She doesn't get it at all...
Chiiko will support you all the way, kay!

Let's hurry up and go back!

Why are you mad too?

How long were you going to take?
I came to get you!
Why are you here?
Wh-What?

So let's talk or something...
Isn't this awkward...?
There's lipstick on your face.
Just kidding.

You won't make it to the Olympics in singles.

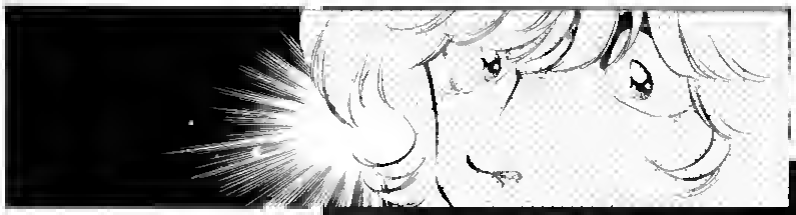
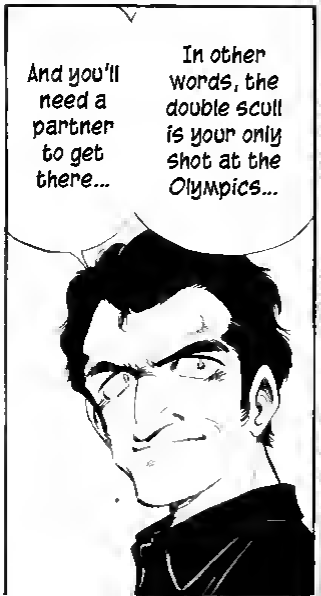
was also planning to enter as a single...





And you'll need a partner to get there...
In other words, the double scull is your only shot at the Olympics...

The Association has already begun to reinforce regulations...
Coach...
Why do you say that...?
Japanese physiques, compared to Americans' or Europeans', puts us in a different weight class...
Which means we can only really compete in the double or relay events...

Kurata is already gone...

Oosawa Makoto

Kurata ...
They told me to row with someone who's not you...

Who wants to live with you?
What do you want...?
I'm taking up residence in this room, starting today.

Keh
Hurry up and turn the light off and sleep!!
But I can't sleep unless there's a light on—
Turn it off!!

We haven't reached the real race yet...

Lane 2's pulling ahead!
It's Houou!
Wait
Ryuuou in lane 3's starting after them!
A good start, like always!
SFX: ROOOAR
They're pulling alongside number 2!
Are they planning a spurt in the very beginning!?

There's the 500m mark!
They're still neck and neck!
Nobody's pulling ahead!

Keep together!
Keep it up!

Yeah!
Great start, Yagi!
Good job, Oosawa!
They won't be able to keep up for long anyway!
Forget it
Maybe we should raise the pace a little and throw them off...
Hmm
So they're trying to keep up while we set the pace?
Che
That's too much...
A little too much...
Uwah... Oosawa-san is angry...
He's super angry...

SFX SPASH!
Yagiii!!
Let's go!!
SFX SLICE
Y-yeah!!

Ryuuou's taken the lead!!
2
Ryuuou's pulled ahead!!

They're flying across the water!
They couldn't do it at all in practice but they're synchronized like it's nothing!
Amazing!
They're building a lead!
1 length!
2 lengths!
So stupid... Idiots...
So let's catch up!
Letting them get any further ahead is boring
Ohhh
The distance just gets wider and wider!!

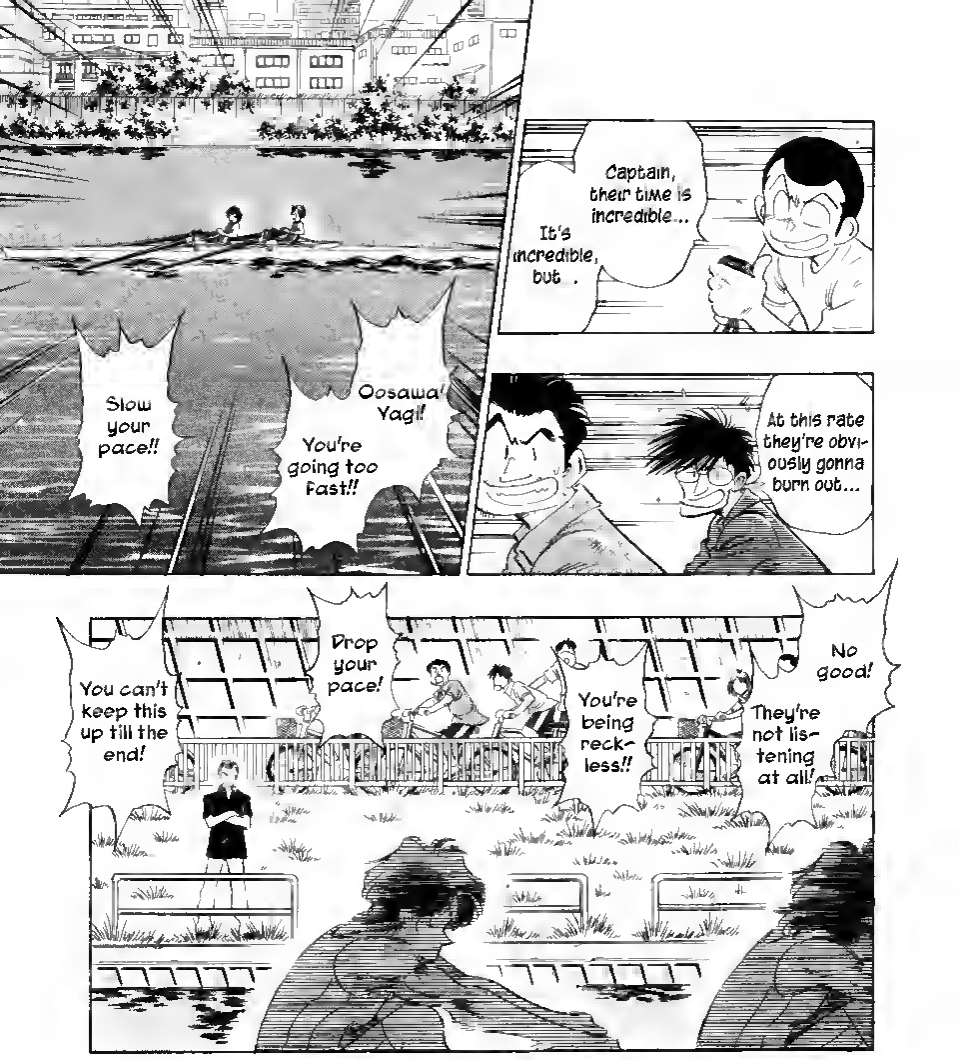
I'm gonna die!!
Not yet!!

Mmm
He's in the lead for now...
What?
Maa-kun's the best!
But...
But at this pace...
3 minutes 9.18 for Ryuuou
3 minutes 23.88 for Houou
Group B has passed the 1000m mark!
SFX: CHEER
Isn't that the kinda time an 8-man boat would get?
Is Ryuuou's 3:09 some kinda mistake?
Hey
This is double scull, right?



Captain, their time is incredible...
It's incredible, but .
At this rate they're obviously gonna burn out...
Oosawa! Yagi!
You're going too fast!!
Slow your pace!!
You can't keep this up till the end!
Drop your pace!
You're being reckless!!
They're not listening at all!
No good!

But...
They're definitely going too fast...

The oar
and the water...
are light...!

This feeling...
It's the same as what I felt
that time, just for a moment, during practice...

Let's go, Yagi!
Yeah!!
SFX: ZOOM

The distance closed up all of a sudden...
Yay ...?

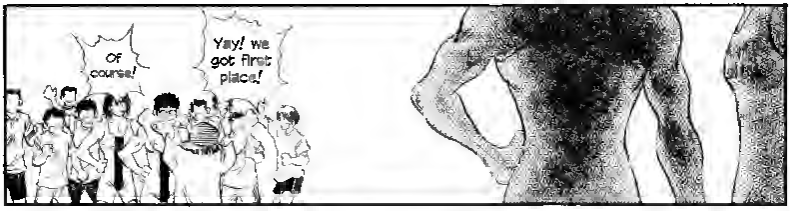
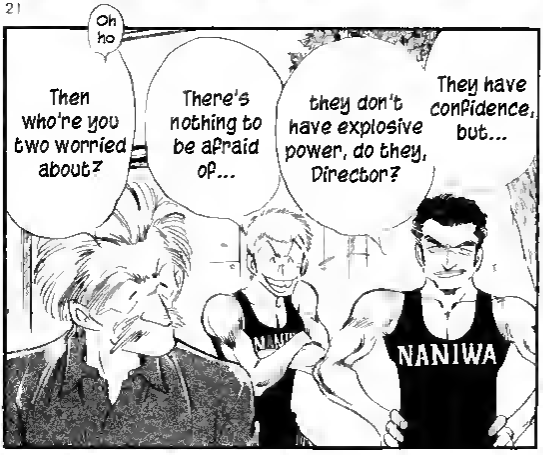
They must be desperate?
Either way, Ryuuou had a ridiculous showing!

At this rate, they could be in trouble for the losers' tournament too.
I guess they are, but...



Of course!
Yay! We got first place!

21



Oh ho
Then who're you two worried about?
There's nothing to be afraid of...
They don't have explosive power, do they, Director?
They have confidence, but...

What kind of stunt were you trying to pull with that race!
You dumbass!!

We'll do our best in the losers' race tomorrow...
I'm sorry...

We're definitely going all the way to the finals.

Don't make that scary face...
There's still tomorrow...

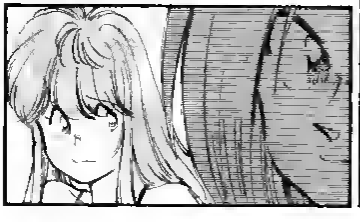
What the Fuck...
How are they going faster than us!?
Kuh
Don't let 'em get ahead!

There's no way they weren't worried about the time difference with Houou...
Like we thought, Ryuuou took off flying from the very start...
Heh
9

It's okay..
They'll make it...



Whaaat, it's only the beginning though!
Looks like Ryuuou's in the lead!
They're givin' Houou a run for their money!

10

Could she...
Could Mii-chan possibly...
Mii-chan...

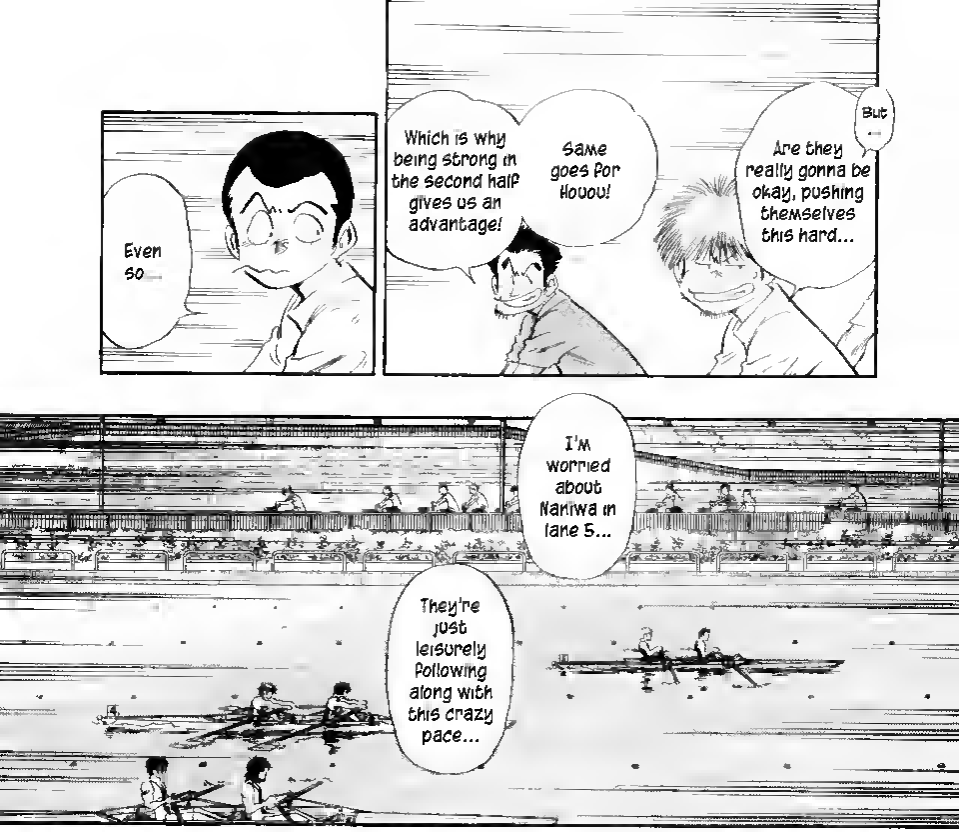
They're still neck and neck!
Hold your ground, Yagi!!
There's the 500m mark!
Gooo, Oosa-waaa!!
Arai!
Don't you lose, Yoko-yama!

We even raised our pitch a little..
Why aren't we leaving them behind?
I didn't anticipate Ryuuou being able to eat distance like this...
Guh

O-Oosa-wa-san...
We've gotta bring down the pace soon...
And there's still the second half
Yeah, we're definitely over pace...

Or we'll lose!
Whaaa
So we'd better keep this up!
But!
So's Houou!
Uwaa
They raised their pace again!?
Guh
They're past the 500m mark
Houou and we're in the lead...
Naniwa's a length and a half behind them...
Is what they're telling me, Yoshimoto-san
Good, good
That's plenty of leeway...

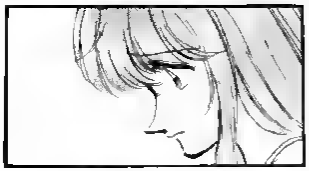
1500
If all they're doing is following behind...
They won't win...
13
Hmpf
Of course they'll take over the lead
Starting right here, in the last 500 meters.
Houou pulls ahead!
It's a battle of endurance!
And we're almost at the halfway point!
No... they're neck and neck again!
Neither team's giving ground!
SFX: ROAR



Even so...
Which is why being strong in the second half gives us an advantage!
Same goes for Houou!
But...
Are they really gonna be okay, pushing themselves this hard...
I'm worried about Nariwa in lane 5...
They're just leisurely following along with this crazy pace...

No
They're putting out good times!
Hey hey
Seems like they're still tied up!
Isn't Houou starting to look kinda weak...!?

We'll win at the Intercollegiates...
I promise...
We'll win...
He promised!



Hmm?
What?

Mi-chan...

Can I ask you something...?

And they're past the halfway mark!
They're... still tied up!!
Yeeeah ...!
Yagiii...
Gotta keep going...
ヒヒヒ

Mii-chan...
Are you maybe... in love with Maa-kun...?
17

Ryuuou pulls away at the 1000m mark!
And Ryuuou pulls ahead!
Where the hell is Ryuuou getting this power from!?
Are you kidding me...?
Al-right!
Looks like the race's finally starting to get moving...
Let's get this party started...
Ooo
aa
ahh!
raa

With this lead, we've won for sure!!
Wha!?
It's too early to congratulate yourself, Yagi...
Look on your other side...
Na... Naniwa!?
When did they...!?

Shall we gradually torment them like usual?
So?
That'll make getting past them even easier...
Well, we ended up catching up more than I thought...
Let's crush 'em in one shot!
OK
Let's show them the true extent of our power from here!

You want to see it again, don't you?
To see the world flow by again?
O-Oosawa-san...
We still haven't shaken 'em off?
They're awfully sore losers!
Now, now
We came all the way from Oosaka, after all...
So we've gotta make this as interesting as possible!

Ryuuou's already burned through their reserves in the stupendous first half!
Brute strength is on Naniwa's side!
This time, it's Ryuuou and Naniwa in a dead heat!
